This information was thought to be accurate at the time of publication.  
Launches can be delayed for any operational reason with little or no notice.

\* **STS-119**, International Space Station Flight 15a Sta-  
tion Construction Flight carrying the Number 6 Star-  
board (S6) Truss with solar panels.  
o Booster: Space Shuttle Discovery  
o Launch date: 2009-02-12, 8:24 AM EST

\* **Kepler**, Kepler is designed to detect earth-sized planets in  
the habitable regions of distant stars.  
o Booster: Delta II  
o Launch date: 2009-03-04, 10:46 PM EST

\* **GOES O**, Geostationary Operational Environmental  
Satellite  
o Booster: Delta IV  
o Launch date: 2009-03-xx

\* **STS-125, Fifth servicing mission to the Hubble  
Space Telescope.**  
o Booster: Space Shuttle Atlantis  
o Launch date: 2009-03-xy

\* **Wideband Global Satcom 3**, A data communica-  
tions satellite for the Department of Defense  
o Booster: Delta IV  
o Launch date: 2009-03-xx

**Last Updated 2008-10-07**

Information provided by SpaceLaunchInfo.Com

\* **L-26 Secret Reconnaissance Satellite**  
o Booster: Delta IV-Heavy  
o Launch date: 2008-11-13

\* **STS-126, International Space Station Flight ULF-2,**  
to deliver a Multi Purpose Logistics Module containing  
supplies, equipment, and experiments.  
o Booster: Space Shuttle Endeavour  
o Launch date: 2008-11-14, 7:55 PM EST

\* **Wideband Global Satcom 2**, A data communications  
satellite for the Department of Defense  
o Booster: Atlas V / Centaur  
o Launch date: 2008-12-04, 7:38 PM EST

\* **STSS**, Space Tracking and Surveillance System  
o Booster: Delta II  
o Launch date: 2009-01-23

\* **X-37B Orbital Test Vehicle**, a Robotic Spaceplane.  
o Booster: Atlas V / Centaur  
o Launch date: 2009-01-xx

\* **NAVSTAR 2R-20 (M7) GPS Satellite**, Global Position-  
ing System Satellite  
o Booster: Delta II  
o Launch date: 2009-01-xy

## Space-Age Nutritional Supplement Based On your DNA

In the past, you had to buy the same nutritional  
supplements, such as vitamins, that were "one for all".  
But there's no one else just like *you*. Now GeneLink Bio  
Sciences has developed the GeneWize nutritional  
supliments based on *your* DNA. A few weeks after  
sending in your "swab kit", your nutritional suplments  
meant only for you will arrive. Details can be found at:

<http://GeneWizeWebServices.Com>
